Introducing the HP dx9000 TouchSmart Business PC!

Available on January 26th, 2009 for the first time, HP is proud to announce its unique touch-enabled all-in-one business class PC to Canada. With wireless keyboard, mouse, integrated WIFI and Bluetooth, the elegant dx9000 requires no wires save the power cord. Its HP-customized touch applications and vivid 22" hi-def widescreen bring new, powerful and intuitive ways to interact with your information. For more details, visit www.hp.ca/dx9000.

Terms and Conditions

- This promotion cannot be combined with any other promotional offer or special pricing from HP.
- Both English and French Canadian models are included in this promotion unless otherwise noted.
- SmartBuy notebooks, desktops, workstations and servers are similar to non-SmartBuy models except in configuration while SmartBuy accessories are identical to the standard accessories. SmartBuy offers lower pricing and better availability.
- In the case of product constraints or product discontinuances, HP may impose quantity limits per order or reseller.
- Models listed are valid in Canada only.
- HP reserves the right to modify, change or cancel any and/or all aspects of this offer at any time without prior notice.
- Available in Canada only.
